

Family and Patient housing options

There are several housing options available to outpatients and families of inpatients at the Alaska Native Medical Center:

Quyana Hospitality House
4315 Diplomacy Dr.
Anchorage, AK 99508
729-2400

This is a 119-bed, 59-room housing option for escorts of patients or patients themselves. The facility is connected with ANMC on the first floor. Guests of Quyana House will be provided meal cards. The card will allow you to spend \$18.00 per day for meals. (Anything above and beyond this amount will be at your own expense.) It does not cover bottled drinks and packaged meats. The cafeteria will provide food to those guests who have special diets ordered by their doctors (served from patient tray lines when patient meals are served, please ask your nurse for times.)

Alaska Family Hospice
4318 Vance St.
Anchorage, AK 99508
333-8746

This housing option has two- or three-bedroom apartments that come with fully equipped kitchens and a microwave oven. You will share the apartment with another escort from ANMC. Only the bedrooms are private. All apartments have a phone. The building is located approximately 1,000 feet east of the hospital. They offer a shuttle service that is available 24 hours a day by calling the main number. If you have a child who needs a car seat, you will have to provide it yourself. You will be provided a meal ticket or badge that will allow you to eat your meals in the ANMC cafeteria free of charge.
